For those that are not familiar with c2c (corner to corner) crochet below is a written instruction on how to create the “boxes”. There are also several tutorial videos available on my blog that show how to work the stitches which can be found at the following links:

## Supplies:

Hook – 5mm

Bobbins

Tapestry Needle

Scissors

## **c2c Stitch instructions in UK Terms:**

### **Stitch Abbreviations:**

- **Ch** – chain
- **Sl st** – slip stitch
- **Tr** – treble crochet
- **Yo** – yarn over

### **Beginning Box**

#### **ROW 1:**

*Step 1:* Ch 5

*Step 2:* Tr into the 3rd ch from the hook

*Step 3:* Tr into the next 2 ch

#### **INCREASING:**

#### **ROW 2:**

*Step 4:* Ch 5

*Step 5:* Tr in 3<sup>rd</sup> ch from the hook and into the next 2 ch

*Step 6:* Sl st into the ch-2 turning ch from the previous row

*Step 7:* Ch 2

*Step 8:* Tr 3 in ch-2 turning ch

#### **ROW 3 and beyond:**

Repeat *Steps 4-8*

#### **DECREASING:**

The decrease row can be confusing as it isn't actually decreasing. It creates a flat edge and is removing one section from the length of the row you are crocheting.

*Step 1:* Ch 3, this chain lays across the block

*Step 2:* Sl st into ch-2 turning ch

*Step 3:* Ch 2

*Step 4:* Tr 3 in ch-2 turning ch of previous row.

#### **CHANGING COLORS:**

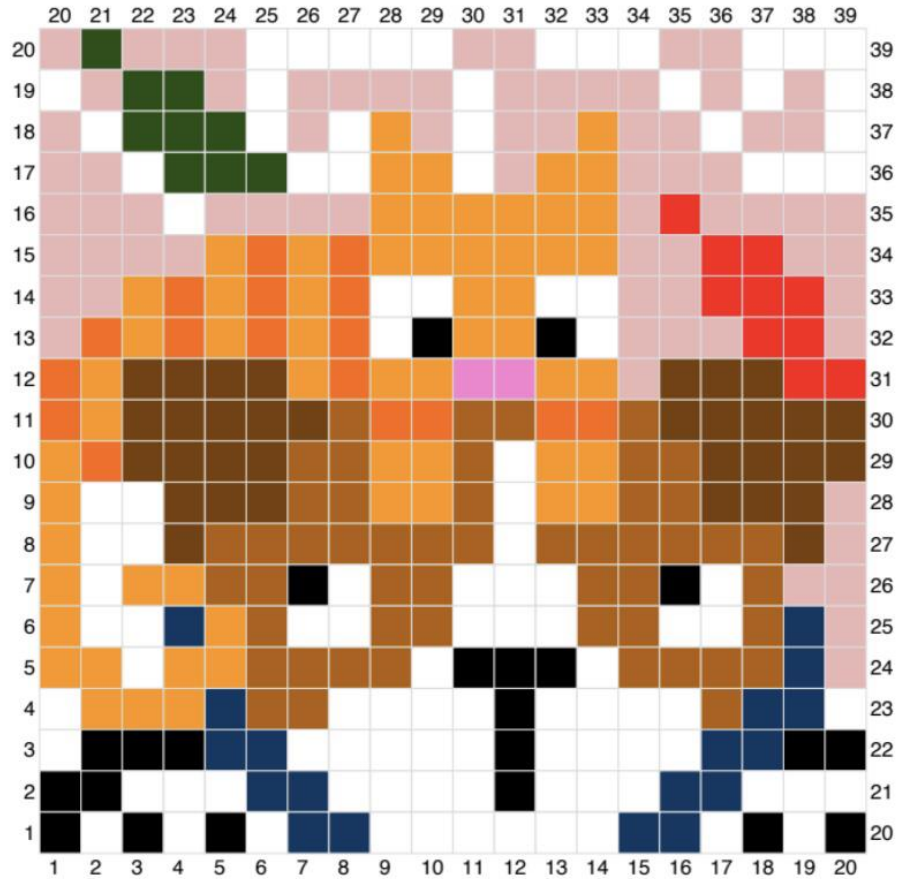

*Step 1:* Complete the last step of the dc prior to the color change

*Step 2:* Yo with the new color and pull through, creating the first loop/working loop of the ch3

*Step 3:* Complete the full block of color as normally done

*Step 4:* Work 3 tr in ch-2 turning ch as you usually would. This completes the box in the new color

And there you have it! Just follow the chart for color placement from the bottom left corner to top right corner.
